Congratulations on your successful completion of SOC Summer Workshop 2025 (11 May – 21 July) organised by the School of Computing, National University of Singapore!

Your performance in the course you enrolled in (with total effort equivalent to that of a course in a regular semester in our School), evaluated based on assignments, quizzes, and projects, is as follows:

Topic	Performance
Deep Learning	A-

Interpretation of Performance									
A+	A	A-	B+	B	B-	C+	C	C-	F
Excellent			Good			Pass		Fail	

Yours Sincerely,
